

Working capital analysis

PROFESSIONAL CONSULTING

Correct management of working capital releases liquidity and leads to the efficient use of finance. UniCredit Group specialists have developed a sophisticated instrument to help you analyse your company and present possible solutions.

✔ WORKING CAPITAL ANALYSIS IS THE RIGHT CHOICE FOR YOU IF:

- you want to **use your working capital to the maximum possible extent**;
- you want to **know the data** which will help you make decisions in the area of finance and trade.

✔ HOW DOES IT WORK AND WHAT CAN WE DO FOR YOU?

- Contact our **sales representative**.
- Once we receive the **business results** of your company and based on other **additional information**, we will prepare an analysis of your reserves and an analysis of your competitors' situation along with recommendations for possible solutions.

✔ PRICE FOR THE SERVICE

The analysis is provided **free of charge**.
